Built with exceptional sound deadening, resistant uniform brushed finish.

Material:

Make from durable Type 304 stainless steel, an optimal mix of nickel and chrome, making our sink ware exceptionally resistant to corrosion and stains for the life of the product. It provides a hygienic, scratchproof and resilient surface that requires minimal care and maintenance.

Sound deadening pads:

Made of natural rubber, the sound deadening pad helps to reduce the noise of clattering dishes and running water. The sound deadening pad is a common feature to all X-Calibur sinks.

Sound control undercoating:

Undercoating specially formulated and applied over super silencer pad. It reduces the noise of clattering dishes, running water and thermally insulates your sink keeping hot soaking water hot for longer.

Certified by CUPC/IAPMO

International Association of Plumbing and Mechanical Officials.

Warranty:

Lifetime Limited buyer warranty to be free of all manufacturing defects under normal use.

PRESSED SERIES

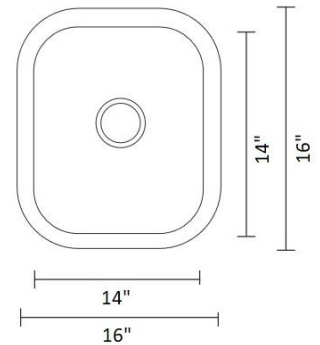

North American standard dimension with CUPC. Easier technical assistance with template and clips included. Exceptional sound deadening, resistant uniform brushed satin finish. Strong 18 gauge thickness stainless steel guarantee the high quality. Multiple functionality and high quality construction.

XCALIBUR WARRANTY

XCALIBUR is pleased to offer a one year warranty with all XCALIBUR products used in normal domestic installations, free from all manufacturing defects in material and workmanship.

XCALIBUR obligation shall be limited to the repair or replacement of a unit (at our discretion) that may prove, by our sole examination, to be defective under normal use and service during the warranty period.

Any failure of this product that is not traceable to a defect in material or workmanship is not covered by this warranty. These non-warrantable items include, but are not limited to:

- 1.** Improper installation not in accordance with manufacturer's instructions.
- 2.** Change in colour or finish due to chemical usage.
- 3.** Damage caused by failure to follow care and cleaning guidelines, including damage caused by the use of abrasive cleaners.
- 4.** Alterations made to the unit by the purchaser or installer.
- 5.** Damage caused by accidental impact, fire, flood, freezing, and normal wear.
- 6.** Bends and warping caused by forced connections, over-tightened fittings, and inadequate support during installation.
- 7.** Damage caused by use of chlorine-based cleaners.
- 8.** Damage from the impact caused by a heavy object being dropped on the product from improper handling.
- 9.** Chips, scratches, rust or stains that can occur under normal use over a period of time. Please refer to cleaning instructions to maintain your product in its original appearance.
- 10.** Products that have been used in a non-domestic application, or improperly installed.

If replacement of product is required due to manufacture defect, XCALIBUR shall not be liable for any inconvenience or expense for material or labour related to the removal or replacement of the defective product(s) or any loss or damage to any person or property resulting from the defective product. All transportation costs to and from the point of purchase will be the responsibility of the purchaser.

This warranty does not extend to commercial and institutional installation or use.

Warranty is non-transferrable.
